Solution Overview

GET EVERYTHING YOU NEED WITH JUST ONE TOOL

Ensure **compliance**, **risks**, **internal control** and **internal auditing** are managed systematically from the ground up - from specialists to directors - with our versatile, configurable platform.

Streamlined teamwork

User-friendly interface

Integrated, scalable platform

66

AdaptiveGRC supported work and efforts of over 100 users and management staff. As a result, the supervisory self-assessment process was significantly shortened - according to our assessment, by 30% Y/Y. The application and its functionalities are very intuitive and helpful for the work of Santander bank.

Piotr Mucha Management Board Representative for Corporate Governance | Santander Bank

Internal Audit

Streamline the entire internal audit process. Automate scheduling of audits, identifying areas of risk exposures, developing action plans to address any identified issues, tracking post-audit recommendations and generating reports in real time. Store all your findings in a Single Source of Truth!
